## Food You Feel Good About...

Combining flavors and ingredients that work well together, soups are all made from scratch, hearty bread for our sandwiches. Vegetarians, no problem meeting your needs. **We have the best customers.**

Our coffee beans are roasted specifically for Willows Bistro from a local source, and are ground fresh for every pot. Muffin tops and scones are baked fresh each morning.

Willows also offers a venue for Internet users to relax in an inviting atmosphere of familiarity and comfort, while surrounded by ever changing original works of art to view and purchase.
